**Essential Program Equipment Grants to Service Providers
for Trust Beneficiaries**

FY2003 Request:

\$300,000

Reference No:

33672

Project Description:

Service providers serving Mental Health Trust beneficiaries have a great need for equipment to improve the effectiveness and quality of their programs. Equipment needs involve all types of equipment, including therapeutic equipment, computers, furnishings, and general office equipment. Vehicles that provide beneficiary transportation, or vehicles and equipment that could be part of a coordinated transportation system for beneficiaries, are excluded. The Department of Health and Social Services will solicit proposals for competitive grants for program equipment (purchases less than \$25,000) to provide increased quality of services to Mental Health Trust beneficiaries. Proposals will be solicited from service providers for all four beneficiary groups.

Results:

Comprehensive Integrated Mental Health Plan: Health, Safety

Results Within Our Reach: Strategy #13-Develop sufficient resources to meet community needs for appropriate levels of treatment for adults, youth, and special populations.

Indicators:

Necessary equipment provided to ensure the effectiveness and quality of programs serving beneficiaries and people with physical disabilities.

Performance Measures:

- Improved efficiency in providing services to Trust beneficiaries.
- Equipment purchased that would not otherwise be affordable to increase services and productivity.
